Regulations for Military Aircraft for Entry and Transit

1. Military aircraft of foreign nations require a Military Diplomatic Clearance (MDC) to enter (land in) or transit the territory of the Federal Republic of Germany. Requests for Military Diplomatic Clearances must be submitted to FMoD – SE I 4 as specified in Annex 4/1. Clearances may be issued in the form of
 - a. **individual clearances**, valid for one or several days (Military Diplomatic Clearance, MDC) or as
 - b. **permanent clearances**, valid for one year (Military Diplomatic Clearance Permanent, MDC/PER).
2. **Requests for individual or permanent clearances must be submitted to FMoD – SE I 4 not later than 5 working days prior to the intended flight.**
3. The transportation of hazardous goods always requires the submission of a request for an individual clearance. Exceptions are subject to separate regulations. Requests must be submitted to FMoD – SE I 4 as specified in Annex 4/3 not later than 15 working days prior to the intended date.
4. For **entries** into the Federal States of BRANDENBURG, MECKLENBURG-POMERANIA, SAXONY, SAXONY-ANHALT and THURINGIA (Five New Federal States) as well as BERLIN, an **individual clearance** must **always** be requested from FMoD – SE I 4. Permanent clearances are not valid in these cases. They are only valid for **transit** across the five new Federal States (without landing). An overview of the application procedures and deadlines for the area of the “five new Federal States and Berlin” is provided in Annex 5/2.
5. Nations that hold a valid Military Diplomatic Clearance Permanent do not need an individual clearance to enter Berlin in order to visit diplomatic missions.
6. Low-level flights (flights below 2000 ft above ground or water) by foreign military aircraft require a special clearance according to the Military Aeronautical Information Publication. A request for this clearance must be submitted to FMoD – SE I 4. Exceptions for the armed forces of the signatories to the NATO SOFA Supplementary Agreement are laid down in the Military Aeronautical Information Publication, ENR 1.15-1.
7. Requests for all military exercises with foreign military aircraft involvement must be submitted to FMoD – SE I 4, stating the type, period and location of the exercise as well as the personnel strength of the unit(s) concerned and the types of weapons carried. **Time limit** for submission to FMoD – SE I 4: **not later than 15 working days** prior to the intended date of the exercise.

8. For military flights east of the deconfliction line and for the utilisation of Temporary Reserved Airspace (TRA) in the five new Federal States, a special deadline of at least 5 working days prior to the intended entry must be observed.
9. FMoD – SE I 4 gives written notification of the request results.
10. After closing time as well on Sun- and Holidays the requests are to send in urgent and unforeseen cases to “Bereitschaftszentrum der Bundeswehr”, Fax-No: 0228-12-45925. From there the approval will be provided.
