

Signature Blocks for the USAREUR-AF Command Group (as of 8 February 2024)

Action officers preparing awards, correspondence (for example, letters, memorandums, star notes), and other documents or forms for signature by a member of the USAREUR-AF Command Group should select the appropriate signature block from the applicable signature-block format page listed below, then paste the signature block into their draft.

To use the appropriate font in their document, action officers should use the default font (type and size identified in the signature-block formats) in their document and then use the “Keep Text Only (T)” formatting option while pasting. The text format will then be matched to the current format* of that portion of the document.

***NOTE:** For space reasons, action officers may modify their document’s font size from the identified default size (12 points, as recommended by AR 25-50, para 1-19) to a smaller size (for example, 11.5, 11).

Index of Signature Blocks

USAREUR-AF Commanding General (CG)

USAREUR-AF Deputy Commanding General (DCG)

USAREUR-AF Deputy Commanding General, Africa (DCG-Africa)
